Introduction and Site Description

Overview

The State of Rhode Island, acting by and through the Rhode Island Department of Transportation (RIDOT) and the Department of Administration's (RIDOA) Division of Purchasing, offers for sale the existing North Kingstown Park-n-Ride site, consisting of 72,224 square feet, more or less, or 1.66 acres, more or less, of real property. The State is seeking a replacement Park-n-Ride site in equal or greater size (the "Replacement Site") within a close proximity to the confluence of Route 102 (Ten Rod Road) and Route 2 (Quaker Lane) in the Town of North Kingstown, Rhode Island. A requirement at the replacement site will be to provide a bus turnout on the side of the traveled highway negating the necessity of a bus entering the site. The site should also be designed so a bus traveling on the opposite side of the highway can make a left turn to enter and exit the site. Bus passengers should not be required to cross any traveled highway to board a bus. The Proposer will be required to pay the value differential between the two (2) parcels and to construct, **at their expense**, a new turn-key Park-n-Ride lot on the replacement site to RIDOT standards and subject to RIDOT and RIPTA approval. The existing site is located at the confluence of Route 102 (Ten Rod Road) and Route 2 (Quaker Lane), at a signalized traffic light, in the Town of North Kingstown, Rhode Island (hereinafter referred to as the "Parcel"). The State of Rhode will not be responsible value differential and construction costs. The Parcel is formerly identified on Rhode Island State Highway Condemnation Plat 287, Parcel 51.

Site Description

The parcel is generally rectangular shaped with the exception of its southeast corner which then follows the curved roadway at the convergence of Ten Rod Road and Quaker Lane. The parcel is generally level and at street grade but does have non-adverse grade variations with one notable grade undulation on its western half (see attached Exhibit A-Site Plan).

Improvements

Presently configured as a Park-n-Ride commuter parking lot, the parcel has estimated frontage of 435 linear feet, more or less, along the southeastern lane of Route 2 (Quaker Lane) and estimated frontage of 305 linear feet, more or less, along the western lane of Route 102 (Ten Rod Road). The subject parcel is strategically sited at a highly visible intersection, abutting a Home Depot site, a Dunkin Donuts/Washington Trust ATM site, and opposite the newly developed Stop & Shop plaza. Giving this siting, the subject parcel enjoys very good commercial visibility and synergy with neighboring high volume commercial uses and good linkages to both South County and the Metropolitan Providence market area via a commutable drive time of approximately 20 minutes.

Zoning

The parcel is presently unzoned State-owned land abutting a General Business District (GB) (see attached Exhibit B-Zoning).

Utilities

Municipal water, electricity, gas, telephone, and AT&T fiber optic. Private ISDS systems required.

Flood Hazard Zone

The property is located in Zone “C” of the FEMA Flood Insurance Rate Maps, Community Panel Number #445404-0007-B, revised on February 16, 1983, which is considered to be in a non-flood area.

Conclusion

Special Conditions

1. The Parcel will be sold “as is” by Quit Claim Deed. No Warranty Deed will be offered by the State. The selected Proposer will be responsible for the cost of the preparation of a conveyance plat map and a metes and bounds descriptions of both parcels conforming to RIDOT specifications. Any subdivision and deed filing requirements of the Town of North Kingstown will also be at the selected Proposer’s cost and responsibility.
2. The State will pay no broker’s fee, finder’s fee, commission, or other compensation to any party claiming to counsel or represent any Proposer regarding the sale of the Parcel or the replacement site. If the selected Proposer desires the property’s title examination, all cost and responsibilities therefor will be the selected Proposer’s. The existing property was acquired by the State on April 25, 1930 under the power of eminent domain (condemnation).
3. No representations will or have been made by the State that the Parcel meets local, State, or federal ordinances, regulations, or laws governing development of property commercially, industrially, or otherwise.
4. All proposals are subject to the stipulations of this Request for Proposals and are subject to the pre-emptive rights to the Parcel’s (re)purchase by its owner(s) at the time of condemnation and the Town of North Kingstown pursuant to Title 37, Chapter 7, Section 3 of the General Laws of Rhode Island, 1956, as amended.
5. Any use of the Parcel will be in compliance with “Appendix C,” Title VI, of the Federal Civil Rights Act of 1964, as amended, i.e., without discrimination as to race, color, or national origin.
6. No billboard, sign, or other outdoor advertising devices shall be erected upon the Parcel other than those indicating ownership or on-premise advertising and shall be subject to reasonable restrictions with respect to number, size, location, and design by regulation of the RIDOT and/or the Federal Highway Administration and subject to the Town of North Kingstown’s zoning ordinance.
7. Any public utilities or municipalities having facilities under, over, or through the Parcel as of the date of its conveyance to the selected Proposer shall have the right and easement to continue to maintain, operate, and renew their facilities within the subject property.
8. The selected Proposer will indemnify, save harmless, and defend the RIDOT and the State of Rhode Island from any claim or claims arising from the discovery, uncovering, finding, transportation, storage, and disposal of any oil, hazardous material, hazardous waste, or hazardous substance, as those terms are defined by any applicable law, rule, or regulation, including but without limitation, the “Rhode Island Hazardous Waste Management Act,” R.I.G.L. Section 23-19.1-1 et seq., the “Rhode Island Hazardous Substances Act,” R.I.G.L. Section 23-24-1, et seq., the “Rhode Island Rules and Regulations for Hazardous Waste

Management” (2005), the “Oil Pollution Control Act,” R.I.G.L. Section 46-12.5.1-1 et seq., the “Comprehensive Environmental Response, Compensation and Liability Act,” as amended, 42 U.S.C. 9601 et seq., and the “Resource Conservation and Recovery Act,” as amended, 42 U.S.C. 6901 et seq., attributable to the selected Proposer subsequent to the date the Parcel is conveyed to the selected Proposer arising under R.I.G.L. Sections 23-19.1-1 et seq., as amended or otherwise, and R.I.G.L. Section 46-12.5.1-1 et seq., as amended or otherwise.

- 9 All costs associated with responses to this Request for Proposals and/or providing written and/or verbal clarification of its contents will be the responsibility of the Proposer. The State assumes no responsibilities or liabilities for these costs.
10. No proposals to purchase portions or subparts of the Parcel will be accepted by the State. Proposers must offer to purchase the Parcel in its 72,224 square foot, more or less, or 1.66 acres, more or less, entirety.
11. A Disturbance Assessment/Phase I (c) Archaeological Investigation was recently completed on a portion of the Parcel, or piece of land, containing sixteen thousand (16,000) square feet, more or less, identified as the northern grassy area, of the Park-n-Ride lot. Archaeological fieldwork confirmed that there is no contextual integrity in the said northern grassy area and it is recommended that no further archaeological investigation is necessary on that portion of the Parcel.

However, The Rhode Island Historical Preservation & Heritage Commission (HP&HC) is requiring a Phase I (c) Archaeological Investigation, be conducted on the remaining paved portion of the Parcel consisting of fifty-eight thousand two hundred twenty-four (58,224) square feet, more or less, to locate and assess their cultural resources, if any, prior to any land transfer; if significant archaeological resources are present, then appropriate measures will be implemented to adequately address any impact to such resources; and all archaeological investigations and management plans shall be carried out under the review and approval of the Rhode Island Historical Preservation and Heritage Commission (HP&HC). All costs and responsibilities therefor for the said remaining paved portion will be the selected Proposer’s.

Withdrawal of Proposal

No proposal will be allowed to be withdrawn after it has been received by the State.

Rejection or Acceptance of Proposals

The State reserves the right to unconditionally accept or reject any and all proposals. The State likewise reserves the right to impose under the deed or conveyance any special conditions or restrictions which RIDOT may deem necessary. Any proposal that is incomplete, conditional, obscure, or has irregularities of any kind may be rejected by the State.

Unacceptable Proposals

No proposals will be accepted from, nor will any proposal be awarded to, any person, entity, firm, or corporation that is in arrears or is in default to the State of Rhode Island upon any debt, tax, or contract, or that has previously defaulted in surety or otherwise, upon any obligation to the State of Rhode Island, or that has failed to perform faithfully any previous contract with the

State of Rhode Island. No consideration will be given to proposals which are inconsistent with the information required in the attached Proposal Format.

The surety of unsuccessful Proposers will be returned upon proposal award or the rejection of all proposals by the State.

4. For the purpose of this certificate, a partnership is, as defined in the Uniform Partnership Act (Sections 7-12-12 to 7-12-55, inclusive of the General Laws of Rhode Island, 1956, Reenactment of 1969), an association of two (2) or more persons to carry on as co-owners of a business for profit. But any association formed under any other statute of this State, or any statute adopted by authority, other than the authority of the State, is not a partnership under Section 7-12-12 to 7-12-55, inclusive, shall apply limited partnerships except insofar as the statutes relating to such partnerships are inconsistent herewith.
5. In determining the existence of a partnership, the rules cited in the Uniform Partnership Act shall apply:
 - a) Except as provided by section 7-12-27 persons who are not partners as to each other are not partners as to third persons.
 - b) Joint tenancy, tenancy in common, tenancy by the entireties, joint property, common property, or part ownership does not of itself establish a partnership.
 - c) The sharing of gross returns does not of itself establish a partnership, whether or not the persons sharing them have a joint or common right or interest in any property from which returns are derived.
 - d) The receipt by a person of a share of the profits of a business is prima facie evidence that he is a partner in the business, but no such inference shall be drawn if such profits were received in payment:
 - 1) As a debt by installment or otherwise;
 - 2) As wages of an employee or rent to the landlord;
 - 3) As an annuity to a widow or representative of a deceased partner;
 - 4) As interest on a loan, though the amount of payment may vary with the profits of the business;
 - 5) As the consideration for the sale of a good will of a business or other property by installments or otherwise.
6. For the purpose of this certificate, partnership property shall be as defined in the Uniform Partnership Act:
 - a) All property originally brought into the partnership stock or subsequently acquired by purchase or otherwise, on account of the partnership, is partnership property.
 - b) Unless the contrary intention appears, property acquired with partnership funds is partnership property.
 - c) Any estate in real property may be acquired in the partnership name. Title so acquired can be conveyed only in the partnership name.
 - d) A conveyance to a partnership in the partnership name, though without words of inheritance, passes the entire estate of the grantor unless a contrary intent appears.
7. The partner executing this certificate shall be bound by the Uniform Partnership Act in that notice to any partner of any matter relating to partnership affairs, and the knowledge of the partner acting in the particular matter, acquired while a partner or then present to his mind and the knowledge of any other partner who reasonably could and should have communicated it to the acting partner, operate as notice to or knowledge of the partnership, except in the case of a fraud on the partnership committed by or with the consent of that partner.
8. For the purposes of this certificate, a limited partnership is, as defined in the Uniform Limited Partnership Act (Sections 7-13-1 to 7-13-31, inclusive, of the General Laws of Rhode Island, 1956, Reenactment of 1969), a partnership formed by two or more persons under the provisions of Section 7-13-3, having as members one or more general partners and one or more limited partners. The limited partners as such shall not be bound by the obligations of the partnership.
9. In determining the existence of a limited partnership, the rules cited in the Uniform Limited Partnership Act shall apply
10. A new certificate must be refiled whenever any additional partners (either general or limited) are admitted into the partnership.
